- Objective** Character Animator, Concept Art
- Work History:**
- 6/08 – Present** Electronic Arts, Quality Assurance Tester.
- Testing on *My Sims Kingdom* for the Wii. Supervised a small satellite group of three testers to free up the Lead to do more of his work.
- 9/05-1/06** Substitute teacher for The Kings Academy in Sunnyvale, CA; Valley Christian School in San Jose, CA; Los Altos Christian School in Los Altos, CA.
- I taught a variety of classes, but preferred teaching music, art, and English classes.
- 8/04-5/05** Substitute teacher for Trinity Christian School in Lubbock, TX.
- Here I also taught a variety of classes, but preferred music, art, English and theater classes.
- 8/01 – 8/03** Relay Agent for CSD Relay in Lubbock, TX.
- I assisted the deaf, hard of hearing and speech impaired with making telephone calls.
- 3/00 – 7/01** Internship with High Performance Computing Center at Texas Tech University. Lubbock, Texas.
- Self trained in Maya to perform weather simulations. Also one year's production experience with Texas Tech Athletics department, for a 5 to 10 second animation for sports events.
- Education:**
- 2002** Bachelor of General Studies (Texas Tech University)
- Thesis: Producing Computer Animation: From Concept to Finished Product
- 2004** Master of Science in Interdisciplinary Studies (Texas Tech University)
- Thesis: Rock Star: A Computer Modeling and Animation Portfolio
- 2007 (Dec)** Bachelor of Fine Arts in Animation (Academy of Art University)
- Skills** I have been using Maya for 6+ years. I am also adept with Adobe Photoshop and After Effects. I also have some experience with Flash and Illustrator.
